YEAR

This catalogue must be kept for all animal types that do not already have a complete inventory (for example inventory incl. all entries and exists). All already existing inventories for the AMA are an addition to this sheet and must be made available to the ABG-inspector.

The first rows are for all categories of animals that do not already have an inventory. The total stock with the appropriate date must be listed.

Entries		Exits		Species	Definite describtion of animal/the herd (for example: name, ear tag number)	Piece entries			Piece exits	
Date	Receipt number	Date	Receipt number			Birth	Purchase		organic	conv.
							organic	conv.		
14.02.14	23	29.09.10	48	Horse	Jana			1		1
23.09.14				Pig		12
