

Ghid de completare a tarii de origine in sablonul de logo combinat

- accesati pagina ABG in zona de download si click pe fisierul JPG
- descarcati si salvati fisierul cu logo-ul (click pe butonul dreapta a mouse-ului) si salvati intr-o locatie (Ex: desktop)
- deschideti fisierul descarcat si salvat – utilizati de preferinta programul Paint

- Finalizati si salvati logo-ul modificat.
