B.6. Loaned livestock and stabled horses

National farm number:_____

form: _____ /_____
YEAR

This form serves as an aid to record external animals with the exception of loaned conventional animals. Please use the appropriate form „loaned conventional animal-agreement". Loaned livestock describes external animals that are held on company-owned pastures. With his signature, the animal owner recognizes that the feeding and husbandry of the animals must be in accordance with the appropriate guidelines for organic farming. Sale of the animals is only possible for the owner of the animals. Attention: Mountain pasturing must be recorded in the appropriate mountain pasturing form.

My company houses the following external animals:
