Acord de Procesare a datelor

o Confirm prin prezenta, acuratetea datelor si sunt de acord prin semnatura mea, ca datele mele personale sa fie transmise catre Austria Bio Garantie in scopul trimiterii de informatii despre inspectie si certificare si alte servicii prestate de Austria Bio Garantie in scopul raspunsului la solicitarile mele si la intrebarile ulterioare, incluzand crearea de oferte pentru un contract de inspectie. La semnarea contractului de inspectie, se aplica termenii acestuia.

Acest consimtamant poate fi revocat in scris (deasemenea prin e-mail) catre romania@abg.at. O revocare nu afecteaza legalitatea procesarii datelor bazata pe consimtamant pana la revocare. Mai multe informatii despre procesarea datelor de catre Austria Bio Garantie pot fi gasite la <http://ro.abg-cert.com/>.

Consent to Data Processing

- I hereby confirm the accuracy of this data and agree with my signature that my personal data disclosed in this form will be transmitted to Austria Bio Garantie for the purposes of sending information about the inspection and certification and other services by Austria Bio Garantie for the purpose of answering my inquiry and follow up questions, including the creation of offers for an inspection contract. The terms of contract apply upon signing the inspection contract.

This consent may be revoked in writing (also by e-mail) to romania@abg.at. A revocation does not affect the legality of the data processing carried out on the basis of the consent until the revocation. Further information on data processing by Austria Bio Garantie can be found here <http://ro.abg-cert.com/>.

Tabelul de mai jos se completeaza de catre personalul Austria Bio Garantie
(Only to fill out from the inspection body Austria Bio Garantie):

Managerul Departamentului va face o evaluare a informatiilor primite pentru a se asigura ca:

- Informatiile despre client si produs sunt suficiente pentru implementarea procesului de certificare;
- Sunt clarificate orice neintelegeri intre organismul de certificare si client, incluzand intelegerea despre standarde si documente normative;
- Scopul de certificare prevazut este specificat;
- Sunt disponibile mijloacele necesare activitatilor de evaluare;
- Organismul de certificare are competenta si abilitatea de a efectua activitatile de certificare.
